

ENJOY THE BENEFITS OF HAVING YOUR JOINT REPLACEMENT **AS AN OUTPATIENT.**

Michigan Orthopedic Center continues to provide innovation to support your orthopedic needs. We are now scheduling approved total joint replacement surgeries without the need to spend the night in the hospital.

Advantages of Outpatient Surgery:

- Same-day discharge
- Increased comfort/high patient satisfaction
- Easy and convenient access
- Rapid recovery protocol
- Potentially reduced risk of hospital-acquired infections
- Typically lower overall cost

Our team will review your general health, insurance coverage and post-operative needs to help you decide if outpatient total joint surgery is a good option for you. Ask your doctor for more information.
